

Personal and Scouting Records Directive

Issued on 31/10/2015

Section A:

This directive is to inform all unit leaders that they have until the meeting of 05/12/2015 to provide the personal and scouting records, given to them on 31/10/2015, along with a passport sized photo, copy of official identification, and annual fees of all members in their units. Unit leaders are currently in possession of twenty personal and scouting records with unique sequential identification sequences which they must return by 05/12/2015.

Any missing or tampered document will incur a 5,000 L.L. fine on the unit leader.

Failure to ensure the collection of the annual fees of a unit's members will result in the deduction of the remaining amount from the unit's budget.

If personal and scouting records of members exist please copy them to the respective document provided, or submit them for coping later.

Please refer to the Manual for Handling Personal and Scouting Records for help regarding personal and scouting records.
